Proud to be working with

'WORKING IN PARTNERSHIP, ACHIEVING THE HIGHEST OUTCOMES FOR ALL' Issue No.8 January 2022

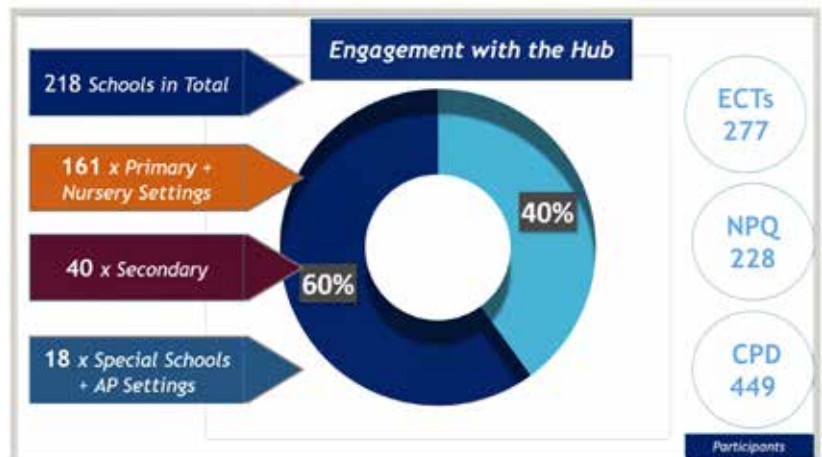

Welcome back to the spring term and to the new year, 2022. We hope that you managed to enjoy a well deserved break in preparation for the term ahead.

As school leaders face increasing challenges in relation to their daily routines, we thought it was well timed to share the three essential ingredients of leadership as identified by Roy Blatchford- *humanity, clarity and courage*.

As 'education leadership' is a people business, the Teaching School Hub and partners aim to offer support and guidance alongside the lens of professional development for both leaders and teachers who face one of the most challenging periods that education has faced.

Given this landscape currently, in the Autumn term, we are truly grateful for the level of professional collaboration and engagement which has taken place across Lincolnshire. In the 14 weeks since the Hub was first launched, we are proud to share the following outcomes with you. This diagram below captures the number of schools who are working with the Hub on either an NPQ, ECF or one of the DfE approved programmes for CPD:

# It's not too late...

**Enrol by 17th January 2022 for a February start!**

The DfE have continued to fully fund places for participants who are looking to embark upon an NPQ with the aim of developing both professional expertise and leadership skills. As there are a range of new specialist NPQs, we are hosting a series of short presentations to provide the opportunity for questions and ensure that the most suitable NPQ is undertaken.

Please do not miss the opportunity to join us and to find out more:

Programme / Information Session		Date	Time
<b>NPQBH</b>	<b>Leading Behaviour &amp; Culture</b>	Wednesday 5th January	8.30am
<b>NPQLT</b>	<b>Leading Teaching</b>	Wednesday 5th January	12.30pm

# Statutory 'Regional Events' for ECTs and Mentors

ECF

L.E.A.D. Teaching School Hub and partners are hosting online 'Regional Events' for ECTs and Mentors which will take place in January.

These form part of the statutory DfE expectation for ECTs and Mentors as part of the two year ECF induction programme. These events will include input from guest speakers in relation to the Early Careers Framework as well as subject specific content relevant to each role. Thank you to those of you who have already signed up for these statutory events on the online portal. **If you have not done so already, do not forget to book your place on the online portal.**

Although the local events in the Autumn term were due to take place face to face, due to the increasing covid restrictions, we have made the decision to move these larger events to being hosted online. The ECF team have planned plenty of opportunities for collaboration online to ensure that all ECTs and Mentors still have an opportunity to share good practice. We remain optimistic that the summer term events will resume to be in person at the end of the academic year.

Please see the various dates below and speak to your ECF lead if you are having difficulty signing up to this.

Event	Dates for ECTs	Dates for Mentors
1	Thursday 13th January 2022	Thursday 20th January 2022
2	Wednesday 12th January 2022	Tuesday 18th January 2022
3	Friday 14th January 2022	Wednesday 19th January 2022

We look forward to seeing you 'virtually' at one of these events.

## Induction Tutors/ Autumn Term Progress Reviews

L.E.A.D. Teaching School Hub and partners would like to say thank you for completing and submitting your interim Autumn Term AB progress reviews for all ECTs via the ECT Manager site in December. The Appropriate Body team have worked collectively to assess and moderate these across Lincolnshire, ensuring that all submissions meet the statutory induction guidelines outlined by the DfE. Following feedback, they will also be producing guidance for the next spring term progress review to support Induction Tutors with this process further. Please do not hesitate to contact your local AB leader if you have any further questions regarding the assessment points.

# Curriculum Hubs ...under the spotlight this month

## Developing Shared Approaches to Maths and Science Teaching

Participation in this Work Group is **FREE** to all state-funded schools

### WORK GROUP AIMS:

To develop a collaborative approach between Maths and Science Teachers and departments to establish supportive and cohesive methods.

Two teachers from each school (one Maths and one Science) work together to establish similarities and differences in approaches to develop a cohesive approach for pupils.

This training programme uses expertise from Maths and Science to consider how to improve the learning and outcomes for pupils by working together and collaboratively.

### INTENDED OUTCOMES INCLUDE:

- Identifying cross-curricular topic areas and develop consistent approaches to teaching key topics e.g. graphs, proportional relationships
- Consider order of learning to ensure students are suitably equipped for Science lessons
- Supporting students to be able to identify similarities in Maths and Science
- Developing student confidence in applying Maths and Science

Session	Dates	Time	Venue
1	Thursday 3rd February	12.30-3.30pm	The Redhill Academy, Training Suites, Arnold, Nottingham, NG5 8GX  <b>TO BOOK A FREE PLACE</b> <b><a href="#">CLICK HERE</a></b>
2	Thursday 17th March	12.30-3.30pm	
3	Wednesday 18th May	1pm-4pm	
4	Thursday 7th July	10am-3pm

## FOR SUBJECT LEADERS/ SENIOR LEADERS/ HEADTEACHERS

Do not miss the **SECONDARY GEOGRAPHY CONFERENCE**.

Please pass on to all Secondary Colleagues.

**£80 per delegate**

## FOR SUBJECT LEADERS/ SENIOR LEADERS/ HEADTEACHERS

Hear the latest messages from a national speaker- Christine Counsell.

**£45 per school**

## Active Spelling Open Morning

**Wednesday 19th January, 9.15am-11am FREE OF CHARGE**

Much like the already well established Active English and Active Number approaches, Active Spelling embeds learning in an active and engaging way, providing pupils with a deeper grasp of spelling and vocabulary that serves as a foundation for their future. We warmly welcome you to our open morning where you will learn more about this approach and how it could benefit your school.

## Building A Mathematician in the Early Years

**Wednesday 26th January, 9.30am-3.30pm £99 per delegate**

**For MATHS LEADERS/ EARLY YEARS TEACHERS & LEADERS**

Early Years forms the building blocks for life long learning. Establishing a positive ethos & approach to mathematics from the beginning can influence the mindset and enjoyment as pupils progress beyond this phase. This programme, which is led by an early years specialist, is therefore intended to identify strategies for 'building a mathematician,' impacting positively upon fluency, pedagogy, enjoyment and outcomes in this aspect of the curriculum.

## RE Professional Forum

**Online: Tuesday 1st February, 1.30pm-3pm FREE OF CHARGE**

Ensure that you do not miss a place on the professional forum led by the RE specialist Gillian Georgeou. Does your curriculum need enhancing in this area? Gain ideas and approaches by collaborating with others.

## Secondary RSHE Network for PSHE/RSHE Leads

**Online: Wednesday 2nd February, 4pm-5pm £15 per session**

**For SECONDARY COLLEAGUES RESPONSIBLE FOR RSHE**

Following the DfE RSHE initiative this forum is led by an RSHE Specialist who continues to work closely with the latest DfE RSHE policy. Do not miss your chance to collaborate with other like minded professionals to reflect upon the curriculum and latest practice within your setting.

## RQT and Legacy NQT Programmes (DfE Approved)

Various aspects of pedagogy, subject knowledge and curriculum.

**£40- £99**

## Enhancing Foundation Subjects

A range of subject professional forums

**£50-£99**

## Moderation in Lincolnshire

**Cross Phase moderation Y2-3: 10th January / Y2/6 Moderation workshops - 23rd/24th February**
