# **Curriculum Hubs**

# What can you access for your setting, approved by the DfE in 2022/23?

As part of the Teaching School Hub remit to enable school leaders to access high quality CPD, a Curriculum Hub showcase has been organised. Instead of having to independently seek information about 11 different Curriculum Hubs in isolation, the Teaching School Hub has organised a session where every DfE leader is presenting their Lincolnshire offer online. They are equally available to answer any questions that you may have.

Each DfE Curriculum Hub leader will present what is on offer to support the teaching and learning in all phases. e.g. funding, CPD, resources and bespoke support. Feedback has been incredibly positive about these sessions so thank you to those who have already attended.

PLEASE NOTE: There is one final session on Monday 13th June, please do join us if you have not had the chance to already.
